This Terms Activities

April 2023

We would like to wish you all a very happy Easter and we hope that you all enjoy the break with some hopefully better weather. We look forward to seeing you all return on Monday 17th April.

Our first topic this month was all about the Military. We looked at different military vehicles in the literacy area and had a go at identifying each vehicle and then using these to draw our own pictures. In the maths area we looked at the numbers from 1-10, the children counted the soldiers before they placed them into groups and then tried to match it with the correct number. In the tuff tray the children explored playing with a range of military toys, these activities help the children develop their imaginative play skills and support them with playing with others. During this we were able to speak about how our service members help protect our country and how they also help others in other countries.

We had a wonderful stay and play session for our Mother's Day morning and what a wonderful turn out we had of Mummy's, Grandmothers and Aunties! The children were all so excited to be able to spend the morning playing and enjoying a tasty treat, we hope you all enjoyed it as much as we did.

Our last topic this month was all about spring and Easter. We have been learning all about spring animals and flowers and how spring brings new life and growth. We have been busy making daffodil pictures in the art area and matching colours with easter baskets and eggs in the tuff tray, the children were very lucky and had a visit from the easter bunny. We have absolutely loved seeing all of your easter bonnets that the children completed as part of their fortnightly challenge, they were all fantastic and we found it very hard to pick a winner.

Our winners were, Majlo, Elouise and Jessica. Well done to you all.

Children with covid-19 should not attend their education setting while they are still infectious, they should return to their setting as long as they do not have a temperature and are well in themselves after the 3 days recommended isolation.

We would like to also remind parents that if your child is unwell and requires Calpol then they are not well enough to attend Pre-School.

Father's Day Morning

On Monday 25th June we would like to invite our Daddies / Uncles or Grandfathers in for a special Father's Day morning. We will have tea and coffee and a selection of cakes as well as some fun activities for you to take part in. The session will run from 10:30 till 11:30m am. Unfortunately, we are unable to have siblings attend the session.

Activities at Home Box

We are very pleased to be introducing our activity at home box again. This box will be available every morning for you to choose and activity to share with your child at home. Please fill in the book to sign in and out your activity.

Polling Day

On Thursday the 4th May 2023 the hall is being used as a polling station; therefore, we will hold the session out in the Forest for the day. Children staying for lunch will need to bring their packed lunch containing an ice pack and an extra drink. Drop off and collection will be at the cricket club.

Internet Safety

Online safety advice More and more pre-schoolers are using their parents' computers, smartphones or tablets to play games, use apps, and watch their favourite TV shows. There are simple things you can do to make sure they're using the internet safely. Copy and paste the following link for further online safety advice. www.internetmatters.org

Working in Partnership with Parents

We would like to thank all the parents who log in, makes comments and add their own observations onto tapestry. We value our partnership with parents and this is a wonderful tool to enable us to do this. These home observations give us a chance to see things we are unable to observe within pre-school and provides great topics of conversation between your children and all the staff. We hope that you enjoy seeing what your children do during their time day and this is also a wonderful keepsake of their journey with us which you will keep once they move on from pre-school.

Mrs. Odam's Fortnightly Challenge

Every fortnight Mrs Odam will be setting an exciting challenge for you and your child to complete at home.

The challenge will be uploaded onto tapestry every other Monday and we would love for you to add your pictures and comments onto tapestry any time before the next challenge is set, so we can see how well you have done.

We believe this will be a great way to gain stronger links between Pre-School and home and involving parents within their child's learning and development.

30 Hour Funding

If you are eligible to apply for the 30hrs childcare funding from September 2023 you can apply between the 15th June and the 31st July 2023. If you are unsure whether you are able to apply you can use the childcare calculator on the childcare choice's website.

www.childcarechoices.gov.uk

Once you have received your code, please give this to Lorraine.

Show and Tell Table

The children very much enjoy bringing items in from home to share with their friends at the end of the session. This is a great way for the children to listen to others and share what they have, building speech and language development. The show and tell table is the red table, located at the back of hall on the left. We ask that items being brought in are theme related or something special, for example if they have had a birthday or been somewhere for a visit. The themes can be found on the first page of the newsletter under what we have been learning about. The themes are also always displayed on the poster above the table and changed weekly if your child is unsure of what they can bring.

Proud Clouds

Our children all love to achieve new things. At Pre-School we want to hear all about it too! Proud clouds are shared with everyone at the end of the session. Proud clouds are a chance for you to share what your child has achieved i.e., learning to count, riding a bike, becoming independent in getting dressed. These are all massive achievements and we want to share it. If your child has done something amazing, please write it down on a coloured shape which can be found on the parents table and give it to a member of staff. Once it has been read out it will be attached to our proud clouds which can be found on the garden door windows. Please ask if you have any questions about proud clouds.

Consumables

From April we will be increasing our Consumables contribution. This will now be £10 per half term; the cost will cover items such as;

Wipes
Additional snack / Milk
Tissues
Hand sanitiser

Testimonies

We would like to be able to display some testimonies on our website, if any of our parents would like to write a testimony, we would be very grateful. These can be emailed to Lorraine.

Thank you

Bags and Welly Boots

Please remember to bring a bag in for your child with a full spare set of clothes in, to be left on the trolley in the foyer area. Please also remember to bring in welly boots on the days your children attend. The children are encouraged to be independent in their dressing so shoes with Velcro rather than laces please.

Book Bags

Every two weeks the children will be able to choose a book to bring home and share with you. Once your child has finished their book you can bring back their book bags and place them in to their keyworkers box. This is a great way for the children to share stories with you and encourages the joy for reading.

Forest School

All children need to bring in their own forest school backpack. This back pack needs to be big enough for the children to have a complete change of clothes, (top/bottoms/pants/socks) nappies and a spare set of waterproofs in, but small enough that they are able to carry it. They will also require a small named water bottle to go in this back pack.

Can we please ask that you let the teachers partner up the children for the walk into the forest, they are partnered up on age and ability following a pre-organised list. The children can find it upsetting if they are moved after parents have let them choose who's hand they would like to hold.

Thank you

Fees

From 20th February 2023 will shall be increasing our fees slightly in line with inflation.

Our fees are as follows;
2yr old, 3hr session was £19.20 to £20.40
2yr old, full day session was £33.60 to £35.70
Top up of funding hours was £5.15 to £5.40

Oral Health

As part of the early years' foundation stage (EYFS, 2021) we are required to support oral health.

A regular teeth cleaning routine is essential for good dental health. Follow these tips and you can help keep your child's teeth healthy.

Healthy Lunchboxes

At St Mark's Pre-School, we will provide a piece of fruit ready to eat (i.e., a banana or apple) during snack time. We will provide additional snack such as toast, flatbread and crumpets etc. as well as water or milk to drink. We ask parents if their child brings grapes for lunch, they need to be cut in half length ways and not left whole or cut width ways. Grapes are the perfect size to block a child's windpipe and pose a choking hazard.

Lunches, please ensure that your child's lunch box is also a healthy one, please, no big bars of chocolate, sweets or fizzy drinks. Please could we ask that the food in your child's lunch box is healthy and has good nutritional value to it.

For example: A sandwich/wrap/roll with nutritional filling i.e., cheese, ham, chicken etc. Or pasta. A piece of fruit / vegetable sticks Yoghurt / cheese Crisps / popcorn, small treat

We want to promote a good varied diet with our children but following the Healthy Lunch Box values which the schools also adept. As a reminder, please no large bars of chocolate, large chocolate biscuits, sweets or fizzy drinks.

Forest School Winter Kit

Now the weather is becoming colder I would like to give you a kit list for our Forest School sessions.

* Warm layers i.e., vest, long sleeve top and fleece/jumper - thermal or ski items are warmer. Legging's underneath jeans or joggers - thermal or ski items are warmer

* Wellies/walking boots/ski boots with wellie warmers or ski socks

* Heavy duty waterproof coat and trousers - please do not send children in all in ones once they are potty trained as it makes it very difficult for children to go to the toilet independently. The children also get wet if it's raining when we remove them for toileting.

* Waterproof mittens on elastic

* Waterproof hat

* Neck warmers are safer than scarves

Please also remember to label everything.

Decathlon in Farnborough provide a vast range of the above clothing layers/boots etc. either in the ski section or the camping section at very competitive prices. Millets and Trespass are also good retailers

Please don't forget to apply insect repellent to your children.

Please check for your child for ticks after each forest school sessions. Ticks are small, spider like creatures that live in woods and long grass. They are not something we can check for when we enter the forest. They attach themselves to skin that brushes past them. A tick bites into the skin and feeds on blood before dropping off a few days later.

Ticks can cause Lyme disease, which is a bacterial infection that can be spread to humans by infected ticks. Some people suffer with flu like symptoms in the early stages of the disease. These include: a high temperature or feeling hot and shivery, headaches, muscle and joint pain and tiredness and loss of energy. Not everyone with Lyme disease gets the rash.
