

St Mark's Pre-School **Newsletter**

This Terms **Activities**

September 2024

We hope that everyone has enjoyed the summer holidays and are looking forward to returning to pre-school. We can't wait to see you all and hear about all the fun you have been having.

We ended last term with lots of fun including ending our Euro's topic with Spain taking the win, well done to all the children and teachers for taking part and cheering the teams on.

Unfortunately, the British weather struck again when it came to the St Mark's Olympics, but it definitely didn't ruin our fun as we still managed a morning full of different events. We tried some track events including running and a relay race and we had a go at some field events such as the shot put but of course the favourite event was the egg and spoon race! The children clapped and cheered their team on showing great team spirit and sportsmanship.

When it was time to come in, we continued the fun with the footballs and goals putting what we learnt during the Euro's topic into place, bowling and target throwing. We ended the St Marks Olympics with a closing ceremony where each child received a medal and a certificate.

We then had our splash day with more fun outside with water trays filled up, including our new garden water tray, water pistols where we all got a little wet, we used water and paint brushes to create patterns on the walls/

On our last day. it was time to say goodbye to our lovely school leavers, we ended with a trip to Bird World where we watched penguins and pelicans being fed, played in the park and we even had time for an ice cream. We wish all the school leavers the best of luck for their first day of school.

Can we please remind parents not to talk with the member of staff at the door in the mornings, they are required to make sure all children remain within the setting and to ensure their safety. If you need to speak with a member of staff, please feel free to approach another member of the team.

Harvest Festival

During October we will be learning about Harvest Festival. We will be teaching the children about different aspects of the local community and how we can help others. In order for to do this we have been in contact with a local food bank. We would like to help by asking parents to donate any of the following items below if they so wish, which we will then donate to the food bank. These will then be passed onto families within the local community who are in need.

Some items requested are:

Corned beef

Pasta sauce

Tinned meat

Tea

Instant mashed potato

Cup- a- soup

Rice pudding

Thank you and please spend money wisely and only if you are able too. All donations to be in for the 24th of October.

Halloween

In the last week of term are topic will be Halloween. We are inviting the children to come to Pre-School in fancy dress outfits if they wish, they don't have to be Halloween themed. We ask nothing to scary and no scary masks and outfits do need to be suitable for the garden.

New Hours

From September 2024 we will have new opening hours. Please make a note of these hours, this includes a new start time of 9am for all.

Morning session will now be 9am - 12pm

Full day will now be 9am - 2.45pm

New Starters

For the new children starting with us in September we would like to invite you to a new starter open morning. This will be held at the hall on Monday 9th September, 10am - 11.30am.

This will give your child a chance to meet some of the other children and staff and a chance to fill out the required paperwork.

We hope to see you all there. If you can't make this date, please drop Lorraine a message.

Pick Up

Please can we ask parents when picking their children up when at the hall that you do not allow your children to run in the graveyard and over the graves! Unfortunately, we have had a couple of complaints about this, these are peoples loved ones and this needs to be respected. We understand that in some areas there is a path but as we know children don't always stick to these!

Could we also ask that parents don't allow their children to run around the side of the building, both sides are used as exit points, and we have had a few near misses of children running around the side and nearly bumping into children leaving.

Reminders

We have noticed some parents are picking up their children late, can we please ask that parents are ready to collect their children from either 12pm or 2.45pm, otherwise you will incur a late fee surcharge of £5.00 as per our Terms & Conditions within your contracts.

We appreciate that sometimes this can't be helped, so we just ask that you please call us and let us know.

Also, a reminder that we will be leaving for the Forest promptly at 9am, If you are running late and not there or ready to leave unfortunately you will need to walk your child over to us in the Forest. The longer we are waiting at the cricket car park for children to arrive the more it is upsetting for the children already there and waiting to go.

Two Year Funding

From April 2024, eligible working parents of two-year-olds can access their 15 hours childcare from the term after their 2nd birthday.

From September 2024 - For eligible working families in England with a child between 9 and 23 months old can access their 15 hours childcare. Apply for your code from 12th May.

The link below will offer more information with regards to finding out if you are eligible to apply.

Activities at Home Box

This box will be available every morning for you to choose an activity to share with your child at home. Please fill in the book to sign in and out your activity.

Internet Safety

Online safety advice More and more pre-schoolers are using their parents' computers, smartphones or tablets to play games, use apps, and watch their favourite TV shows. There are simple things you can do to make sure they're using the internet safely. Copy and paste the following link for further online safety advice. www.internetmatters.org

Working in Partnership with Parents

We would like to thank all the parents who log in, makes comments and add their own observations onto tapestry. We value our partnership with parents and this is a wonderful tool to enable us to do this. These home observations give us a chance to see things we are unable to observe within pre-school and provides great topics of conversation between your children and all the staff. We hope that you enjoy seeing what your children do during their time day and this is also a wonderful keepsake of their journey with us which you will keep once they move on from pre-school.

Mrs. Odam's Fortnightly Challenge

Every fortnight Mrs Odam will be setting an exciting challenge for you and your child to complete at home.

The challenge will be uploaded onto tapestry every other Monday and we would love for you to add your pictures and comments onto tapestry any time before the next challenge is set, so we can see how well you have done.

We believe this will be a great way to gain stronger links between Pre-School and home and involving parents within their child's learning and development.

30 Hour Funding

If you are eligible to apply for the 30hrs childcare funding from January 2024 you can apply between the 15th October and the 30th November 2024.

If you are unsure whether you are able to apply you can use the childcare calculator on the childcare choice's website.

www.childcarechoices.gov.uk

Once you have received your code, please give this to Lorraine.

Show and Tell Table

The children very much enjoy bringing items in from home to share with their friends at the end of the session. This is a great way for the children to listen to others and share what they have, building speech and language development. The show and tell table is the red table, located at the front of hall by the main entrance. **We ask that items being brought in are theme related or something special, for example if they have had a birthday or been somewhere for a visit or an achievement such as a certificate or badge.** The themes can be found on the first page of the newsletter under what we have been learning about. The themes are also always displayed on the poster above the table and changed weekly if your child is unsure of what they can bring.

Proud Clouds

Our children all love to achieve new things. At Pre-School we want to hear all about it too! Proud clouds are shared with everyone at the end of the session. Proud clouds are a chance for you to share what your child has achieved i.e., learning to count, riding a bike, becoming independent in getting dressed. These are all massive achievements, and we want to share it. If your child has done something amazing, please write it down on a coloured shape which can be found on the parents table and give it to a member of staff. Once it has been read out it will be attached to our proud clouds which can be found on the garden door windows. Please ask if you have any questions about proud clouds.

Consumables

From April we will be changing how we charge for the Consumables contribution.

This will now be charged at 48p per each hour that your child does with us; the cost will cover items such as;

Wipes
Nappies
Additional snack / Milk
Tissues
Arts & Crafts
All nursery resources

Fees

Our current pricing for our fees are as below.

2yr old, 3hr session - £25.56

2yr old, full day session - £48.99

3yr old, Top up of funded hours - £7.00 p/h

Bags and Welly Boots

Please remember to bring a bag in for your child with a full spare set of clothes in, to be left on the trolley in the foyer area. Please also remember to bring in welly boots on the days your children attend. The children are encouraged to be independent in their dressing so shoes with Velcro rather than laces please.

Book Bags

Every two weeks the children will be able to choose a book to bring home and share with you. Once your child has finished their book you can bring back their book bags and place them in to their keyworkers box. This is a great way for the children to share stories with you and encourages the joy for reading.

Tuesday Forest School

All children need to bring in their own forest school backpack. This backpack needs to be big enough for the children to have a complete change of clothes, (top/bottoms/pants/socks) nappies and a spare set of waterproofs in, but small enough that they are able to carry it. They will also require a small named water bottle to go in this backpack.

All children joining us for lunch will need to bring a packed lunch with an additional drink and ice pack. Drop off and collection for both 12pm and 2:45pm will be from the cricket club.

Can we please ask that you let the teachers partner up the children for the walk into the forest, they are partnered up on age and ability following a pre-organised list. The children can find it upsetting if they are moved after parents have let them choose who's hand they would like to hold.

Thank you.

Oral Health

As part of the early years' foundation stage (EYFS, 2021) we are required to support oral health.

A regular teeth cleaning routine is essential for good dental health. Follow these tips and you can help keep your child's teeth healthy.

[Children's teeth - NHS \(www.nhs.uk\)](https://www.nhs.uk/childrens-teeth)

Healthy Lunchboxes

We ask parents to provide a piece of fruit for snack time, please make sure this is labelled. We will provide additional snack such as toast, flatbread and crumpets etc. as well as water or milk to drink. We ask parents if their child brings grapes for lunch or snack, they need to be cut in half length ways and not left whole or cut width ways. Grapes are the perfect size to block a child's windpipe and pose a choking hazard.

Lunches, please ensure that your child's lunch box is also a healthy one, please, no big bars of chocolate, sweets or fizzy drinks. Please could we ask that the food in your child's lunch box is healthy and has good nutritional value to it.

For example: A sandwich/wrap/roll with nutritional filling i.e., cheese, ham, chicken etc. Or pasta. A piece of fruit / vegetable sticks Yoghurt / cheese
Crisps / popcorn, small treat

We want to promote a good varied diet with our children but following the Healthy Lunch Box values which the schools also adept. As a reminder, please no large bars of chocolate, large chocolate biscuits, sweets or fizzy drinks.

Forest School Winter Kit

Now the weather is becoming cooler I would like to give you the kit list for our Forest School sessions.

- Warm layers i.e. – vest, long sleeved top and fleece/jumper – thermal or ski items are warmer. Legging's underneath jeans or joggers – thermal or ski items are warmer.
- Wellies/walking boots/ski boots with wellie warmers or ski socks
- Heavy duty waterproof coat and trousers- please do not send children in all in ones as this means when having a nappy change or using the toilet they will get cold!
 - Waterproof mittens on elastic
 - Waterproof hat
 - Neck warmers are safer than scarves
 - Please label everything!

Please remember if it is a bit colder your children will need extra layers to keep warm.

Please don't forget to apply insect repellent to your children.

Please check for your child for ticks after each forest school sessions. Ticks are small, spider like creatures that live in woods and long grass. They are not something we can check for when we enter the forest. They attach themselves to skin that brushes past them. A tick bites into the skin and feeds on blood before dropping off a few days later.

Ticks can cause Lyme disease, which is a bacterial infection that can be spread to humans by infected ticks. Some people suffer with flu like symptoms in the early stages of the disease. These include: a high temperature or feeling hot and shivery, headaches, muscle and joint pain and tiredness and loss of energy. Not everyone with Lyme disease gets the rash.
